SYSTEMS ANTITRUST LITIGATION**

This Document Relates To:

THE DEALERSHIP CLASS ACTION

MDL No. 2817

Case No. 18-cv-00864

Hon. Robert M. Dow, Jr.

Magistrate Judge Jeffrey T. Gilbert

I, CAMERON R. AZARI, ESQ., hereby declare and state as follows:

1. My name is Cameron R. Azari, Esq. I am over the age of twenty-one and I have personal knowledge of the matters set forth herein, and I believe them to be true and correct. If called on to do so, I could and would testify competently thereto.

2. I am the Director of Legal Notice for Hilsoft Notifications, which is a business unit of Epiq Class Action & Claims Solutions, Inc. (“Epiq”). The Court approved the appointment of Epiq as the Settlement Administrator.¹ I previously submitted a declaration executed on December 19, 2018 (the Declaration of Cameron Azari, Esq. Regarding Notice Administration (ECF No. 479-2) (“Initial Declaration”). I submit this Supplemental Declaration to provide updated information since that filing.

Updated Report on Settlement Website

3. As more fully stated in my Initial Declaration, Epiq maintains the Settlement Website (www.DealershipClassDMSSettlement.com) to provide information about the Settlement to Dealership Class Members and to answer Frequently Asked Questions.

¹ Preliminary Approval Order For Settlement Between the Dealership Class and Reynolds (ECF No. 432 ¶ 8).

4. Since the filing of my Initial Declaration, Epiq posted to the Settlement Website copies of the papers that were filed by Dealership Class Counsel with the Court on December 19, 2018 in support of the motion for final approval of the Settlement and the motion for the advancement of litigation expenses from the Settlement (ECF Nos. 479-482). At the request of counsel, Epiq also posted two additional “Frequently Asked Questions” with answers, and a “12/24 [National Automobile Dealers Association] NADA Response” in response to Class Members’ questions.

5. As of the date of my Initial Declaration, there were 1,385 unique visitors and 4,436 website pages presented for visitors to view. Since my Initial Declaration, there have been an additional 877 unique visitors and 2,073 website pages presented for visitors to view. As of January 14, 2019, there have been a total of 2,262 unique visitors and 6,509 website pages presented for visitors to view.

6. Epiq will continue operating, maintaining, and as appropriate, updating the Settlement Website as needed until the end of this administration as determined by counsel or the Court.

Updated Report on Toll-Free Telephone Number and Postal Mailing Address

7. As more fully stated in my Initial Declaration, Epiq maintains a toll-free Voice Response Unit (1-888-842-3161) to provide information to Dealership Class Members about the Settlement. The automated toll-free telephone system is available 24 hours a day, 7 days a week and a live call center representative is available Monday through Friday from 6:00 a.m. to 6:00 p.m. Pacific Time (excluding official holidays). The toll-free number is still operational.

8. As of the date of my Initial Declaration, the toll-free number received 51 calls representing 271 minutes of use, and call center representatives had handled 15 inbound calls representing 158 minutes of use and 2 outbound calls representing 12 minutes of use.

9. Since my Initial Declaration, the toll-free number has received 10 additional calls representing 70 minutes of use, and call center representatives have handled 7 additional inbound calls representing 55 minutes of use and 4 additional outbound calls representing 3 minutes of use.

10. As of January 14, 2019, the toll-free number has received a total of 61 calls representing 341 minutes of use, and call center representatives have handled a total of 22 inbound calls representing 213 minutes of use and a total of 6 outbound calls representing 15 minutes of use.

11. As more fully stated in my Initial Declaration, Epiq maintains a post office box to allow Dealership Class Members to contact the Settlement Administrator by mail with any specific requests or questions. As of the date of my Initial Declaration, Epiq had not received any correspondence. Since my Initial Declaration, Epiq has not received any correspondence other than requests for exclusion.

12. Epiq will continue operating, maintaining, and as appropriate, updating the automated toll-free telephone number and continue maintaining and monitoring the post office box until the end of this administration as determined by counsel or the Court.

Updated Report on Exclusion Requests and Objections

13. Pursuant to the Court's Preliminary Approval Order, Dealership Class Members who wished to be excluded from the Dealership Class were required to do so in writing, postmarked on or before January 2, 2019.

14. Written requests for exclusion were to be addressed to Dealership Class Settlement—DMS Antitrust Litigation, Exclusions, c/o Epiq, Settlement Administrator, P.O. Box 6727, Portland, OR 97228-6727. Epiq has monitored all mail delivered to that Post Office Box.

15. The January 2, 2019 postmark deadline for requesting exclusion has now passed. As of the date of my Initial Declaration, Epiq had not received any requests for exclusion. As of January 15, 2019, Epiq has received 57 letter requests for exclusion (three are duplicates). Epiq does not represent that each of these 57 requests is timely and valid.

16. The 54 letters requesting exclusion provided dealership information matching 158 of the over 15,600 potential Dealership Class Members that were sent individual direct mail notice by Epiq. The 54 letters provided information for another 146 dealerships that did not match information from the direct mailing list. A summary report of all exclusion requests received by Epiq is attached hereto as **Attachment 1**.

17. Dealership Class Members who wish to object to the Settlement and/or the request for litigation expenses were not instructed to send objections to Epiq (objections were to be filed with the Clerk of the Court and served on counsel). As of January 15, 2019, Epiq has not received any objections, in the event objectors did not follow the instructions and instead mailed objections to Epiq. Also, as of January 15, 2019, I am not aware of any objections filed with the Court.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on January 15, 2019.

Cameron R. Azari, Esq.
